

DEAR MR. GENSOR.

**T**HIS is not obscene, lewd or lascivious; nor is it a filthy book, pamphlet, picture, paper, letter, writing, print, or other publication of an indecent nature; nor an article or thing designed, adapted, or intended for preventing conception or for any indecent or immoral use; nor does it contain any article, instrument, substance, drug, medicine, or thing which is advertised or described in a manner calculated to lead another to use or apply it for preventing conception or producing abortion, or for any indecent or immoral purpose.

**T**HE term "indecent" being construed to include matter of a character tending to excite arson, murder, or assassination, this issue of A. 1925 is declared to contain no matter of that nature, and is therefore submitted as mailable under the provisions of Section 480.
