Feb. 6. Mandate to the above-mentioned Walter de Gloucestre not to act in Kent, Dunfermline &c., without Roger de Hegham.

The like to the rest not to act without the following:
Roger de Hegham.
Master Richard de Abyndon.
Peter de Leycestre or William de Brihkill.
Master John de Everdon.
Lambert de Trikeningham.
William de Carleton.
Master Adam de Agnodesham.
John de Insula.
John de Kirkeby.

May 6. Appointment of Walter de Norwico and William le Curzoun, in the room of William de Carleton, William Haward and Henry de Staunton, who were appointed to assess the county, but cannot attend to the assessment of the city of Norwich, to assess the said city to the amount of at least 400£, without preference to the rich or grievance to the poor, and to deliver extracts of such tallage to persons selected by them, for the latter to levy without delay and to answer for at the Exchequer, and the said Walter is to appear at the Exchequer and certify the treasurer and barons as soon as possible what has been done.

July 4. Association of the said Walter with William de Carleton, William Haward and Hervey de Staunton to assess the counties of Norfolk and Suffolk, as above.
