MEMBRANE 5—cont.

June 10. Mandate and request to all persons of the cantred of Eggelfeld and the commotes thereof, to come properly armed to the king's assistance in the Scotch expedition, as their laudable assistance lately given when the king was pursuing the rebels in the Marches of Wales makes the king confident they will be ready to do so; they are not to take it ill that their petitions before the king and Council in the parliament at York were postponed as the king was fully occupied preparing for the said expedition, but on the king's return they shall be attended to.
