25 HENRY III.

1241.

Membrane 6—cont.

July 15. Marlborough. Request to the merchants of Siena and Florence to make a loan of 4,000L. to W. de Haverhull and J. de Gatesden, who are empowered to contract such loan in the king’s name.

Power to the said W. and J. to contract the loan.

July 16. Malmesbury. Protection for the house of the abbot of Stanlegh, who has gone to Citeaux to his general chapter: until the abbot’s return.

July 18. Cirencester. Presentation of Master Peter Provincialis to the church of Winbeldon, in the king’s gift by reason of the voidance of the archbishopric of Canterbury, directed to the dean of Croinden.

The like of Master Henry de Cambray to the church of Sevenhak, in the king’s gift as above; directed to the dean of Sorham.

The said Masters Peter and Henry have like letters directed to the archdeacon of Canterbury.

July 22. Lanthony [by Gloucester]. Royal assent to the election of Nicholas de Shotindon, canon of St. Gregory’s, Canterbury, to be prior of the same house, with mandate to the official of the archbishop of Canterbury to do his part herein.

Writ de intendendo to the tenants of the abbey of Alnestowe in favour of Agnes de Westbury, one of the nuns, elected to be abbess.

July 25. Lanthony. Grant to William de Cantilupo the younger, that he may take each week in the town of Bargeveny murage for walling the town, for five years from St. Peter’s Chains.

MEMBRANE 5.

July 29. Lanthony. Pardon to Richard Revel, clerk, for the death of Sibyl, daughter of John de Teokesbury, as it appears by inquisition made before Robert de Lexinton and his fellows, justices lately in eyre in the county of Gloucester, that he killed her by misadventure; on condition that he make peace with the friends of the said Sibyl, if any will proceed against him.

Aug. 3. Worcester. Mandate to the knights and free men of the county of Suffolk to give effective counsel and aid to Robert le Falconer, king’s serjeant, the bearer, as he will say to them on the king’s behalf, in expediting the affairs of Philip de Sabaudia, parson of Oxene, and in collecting and recovering the crops of this autumn, in whosoever hands they may be found, and also the crops of last autumn; so that those who collected, or sold, or otherwise disposed of these, omit not to satisfy the said Robert of the price thereof.

Aug. 4. Worcester. Appointment, during pleasure, of Gilbert de Kirketon and Henry de Soulby to the custody of the castles of Appelby and Brough under Stainmoor (Burgo) and all the lands late of John de Veteri Poute; and mandate to the tenants to be intendant to them.

Aug. 8. Wenlock. Writ de intendendo to the tenants of the priory of St. Gregory, Canterbury, in favour of Nicholas de Shotindon, one of the canons, elected to be prior.
