the commonality of those counties for their expenses, and if anything was concealed there so that the taxation and collection has not yet been fully made, as it is charged against them before the king; and to enquire touching the tallies of quitances made by them.

[June 6. Mandate to all persons that, whereas the king lately caused an inhibition of the exportation of wools to be made throughout the realm and some of the realm and others have not omitted to take wool without the realm day by day as well to Flanders as to other parts, and trade with it at their will, contrary to the said inhibition, they are not to permit this, but to take all merchants and others as well as the wool and have them kept in safety, until further order.

June 10. To the steward, keepers and bailiffs of Boston fair, and all merchants coming to any fair in the realm and all bailiffs and lieges of Boston fair. Whereas the king, now three years ago, caused proclamation to be made throughout the realm that none should sell cloth not of right measure according to the ancient assize, he has given power to Poncius de Mora, Richard de Ewell and William de Arundel, or two or one of them to enquire touching such cloths to wit, which are of the right measure and which not and to take into the king's hand all cloths of wool of parts beyond seas which are de duabus sedibus and are not of the length of 26 ells and of the breadth of 6 quarters between the list, and keep them until further order; except says of parts beyond seas and says of Scotland and Ireland whereof there is no certain measure had within the realm.

MEMBRANE 10d.

July 25. Appointment of Robert Fulconis, because pleas are not at present held in the Bench, to take the assize of darrein presentment which the prior of Castelacre arraigned against Margery daughter of Roger de Heringby touching the church of Heringby.

July 18. Peter de Lyuns, merchant of Southampton, has licence in the form above written touching the carrying of wool, until Michaelmas. The following have the like:—
