Membrane 16—cont.

Grant to the prior and convent of Hailes within the forest of Wyndesore, which is of the found,

...the king's consort Mary, deceased, and of the king's patronage, sentence to cut down and sell and receive to their own use wood suitable for timber and other wood to the value of 100 marks of their own wood within the forest for the use of their church, belfry and houses, which are ruinous, saving, however, for the king's deer there by the supervision of the king's foresters and other officers.
