Membrane 37—cont.

March 30. Presentation of the king's clerk John Wyndehulle to the church of Conde, in the diocese of Coventry and Lichfield. By p.s.

March 28. Licence for John Goldynge of Lytlyngton, John Potter of Brychemore and Thomas Grene of Woburn Chapel to grant in mortmain the manor of Potesgrave, co. Bedford, not held of the king and extended at 8 marks yearly, as found by an inquisition taken by Robert James, escheator in the county, to the abbot and convent of Woburn, in full satisfaction of a licence by letters patent dated 4 November, 9 Richard II.

April 8. Signification to Th. bishop of Worcester of the royal assent to the election of William Beste, sacristan and canon of St. Mary's, Cirencester, as abbot of that place.

Inspeiximus and confirmation to Richard Cachero of letters patent dated 10 November, 1 Henry IV. [Calendar, 1399–1401, p. 144.]

For 2 marks paid in the hanaper.

May 11. Grant for life to Walter Hungerford, 'chivaler,' of the manor of Meere and the park and hundred of Meere, co. Wilts, which Hugh Mortymer, esquire, deceased, held for life of the king's grant, with all lands, mills, meadows, pastures, chaces, woods, rents and services of tenants, reversions, escheats, lordships, fairs, markets, knights' fees, advowsons, views of frank-pledge and other courts, offices, franchises, liberties, privileges, rights, profits and commodities. By K.

Membrane 36.

April 2. Inspeiximus and confirmation to the men having woods and common pasture within the forest of Porcestre of letters patent dated 5 December, 7 Henry IV, inspecting and confirming letters patent dated 29 February, 21 Edward III; saving to the king his deer and pasture for the same, and provided that the covers of the forest be not enclosed otherwise than they have been accustomed to be according to the assize of the forest. For 20s. paid in the hanaper.

April 6. Pardon to William Newbury of the parish of Kynmersdon for the death of Henry Mertok on Monday before the feast of Perpetua and Felicitas last at Kynmersdon in the highway opposite the tenement of John Newbury. By p.s.

April 14. Commission to Richard Cliderawe of the county of Kent, esquire, and William Ledes of Feverisham to buy 1,000 quarters of wheat with all convenient speed for the victualling of the town of Harefeu and take them to the town of Sandwich. By C.

The like to the following:

The sheriff and escheator of Essex to buy 1,000 quarters of oats and take them to the port of London.

William Redhede and Nicholas Hobbes to buy 2,000 quarters of malt, 500 quarters of peas and 500 quarters of beans and take them to the port of London.
