Membrane 31d—cont.

Jan. 26. Commission to Ralph Crumwell, knight, William Babynge, Henry Perpound, knight, Hugh Wylughby, Thomas Poge, mayor of Nottingham, John Bowes, Richard Samon and John Alestre to inquire by sworn inquest of the county of Nottingham; as to what persons are bound to repair the bridges at Nottingham over the water of Leme, recently damaged by floods and by divers carts of the neighbourhood, and to have the necessary repairs made.

Membrane 25d.

Feb. 14. Commission to John Tilney and John Asshefeld to take at Wynchelsee, on Friday or Saturday next, the muster of John, lord Talbot, knight, and of the men-at-arms and archers about to proceed over sea in his company.

Feb. 16. The like to John lord Talbot, to take the muster of John lord Clynton and Robert lord Ponynges and their retinue, and of all others in the king’s voyage to the parts beyond sea, except the soldiers retained with the said lord Talbot.

Membrane 24d.

Feb. 14. Commission to Thomas Whitgreve and John Eltonhed, to arrest in the ports of Bristoll, Bruggewater and Liverpole, the ships necessary for the passage of Edmund, earl of March and his retinue to Ireland. By C.

Feb. 26. Commission to Roger Fenys, knight, Thomas Leukener, knight, John Darell, Robert Oxenbrugge and Robert Wrytle, to inquire by sworn inquest within the county of Sussex as to lands, tenements, meadows, pastures, rents, services, wardships, marriages and escheats in that county, concealed or detained from the king.

May 12. Commission to John Bernard and Richard Colles to select and take stone-cutters, carpenters and other workmen and labourers, and employ them at the king’s wages upon the repair of the castle and lordship of Walyngford; also to provide the necessary stone, lime, timber, tiles, shingles, iron and lead, and carriage for the same.

The like commission to William Walifete and John Canon for the king’s works within the castle of Hertford and manor of Plasshy.
