MEMBRANE 14.

Commission in pursuance of the same Act to the constable of Dover Castle [warden] of the Cinque Ports or his lieutenant to administer the same oath to the mayors and bailiffs of the towns of the said ports, and to issue warrants to them to cause the members of Parliament for the said towns to administer the same oath to such of the inhabitants of the same as it shall seem expedient. The mayors, bailiffs and members are to inform the warden or his lieutenant of the names of the persons to whom the oath is tendered, and such names are to be certified into Chancery.

By K. & C. in Parl.

The like commission to the lieutenant and chamberlain of Chester to administer the same oath to persons in the county of Chester; names to be certified into Chancery within three months of the said administration.

By K. & C. in Parl.

The like commission to Thomas, bishop of Durham, for persons resident within his liberty of Durham.

The like commission to P. bishop of Ely.

By K. & C. in Parl.
