1387. 

Membrane 35—cont.

June 26. Westminster. Grant to John de Babynge of the prebend of Colwyche in the cathedral church of Lichfield, in the king's gift by reason of the temporalities of the bishopric of Coventry being in his hands through voidance.

By p.s.

Mandates in pursuance to R. bishop of Coventry and Lichfield and the dean and chapter of Lichfield.

Revocation of letters patent dated 31 March, 8 Richard II, granting that prebend to Thomas de Midleton.

By p.s.

July 1. Westminster. Revocation of the presentation of William Smogere, chaplain, to the vicarage of Lowystoff, on the false suggestion that it was void and in the king's gift by reason of the temporalities of the bishopric of Norwich being in his hands; upon the petition of Master Robert Aylesham, vicar thereof, and in conformity with the statute passed in the late reign [25 Edward III, Stat. 6, cap. 3], notice having been given by the sheriff of Suffolk to the said William through Geoffrey Richeres, John Doof, Thomas Wade and Robert Plomer, and he having failed to appear.

By p.s.

July 3. Westminster. Grant, by advice of the Council, to John de Harmesthorp, controller of the custom and subsidy of woolows, hides and wool-fells in the port of London, that as he is one of the chamberlains of the Exchequer, he may execute the office of controller aforesaid by deputy and remain chamberlain, notwithstanding statutes to the contrary, provided that he be present at the former as often as he can attend.
