Membrane 1—cont.

1397.

king has taken the priory with all its possessions into his hand and committed the keeping thereof to his uncle, John, duke of Lancaster, John la Warre, knight, John Busey, knight, Andrew Luterell, knight, and Adam de Leverington, prior of the said priory, during pleasure, without being compelled to render account for the issues and profits.

1396.

Grant, for life, to William Olton, one of the grooms of the cellar, of 6 marks a year from the issues of the king's town of Colsell in Wales.

Vacated by surrender and cancelled, because Henry IV, 19 November in his first year, granted to the said William Olton a year for life from the issues of the city of London [Calendar, 1399-1401, p. 98].

Jan. 10. Westminster.

Pardon to Richard de Staynolf alias Staynoll, of Preston, card-maker, for the death of Alan Shorterede, of Preston, killed there on Sunday before the Nativity of St. Mary in the nineteenth year.

Pardon to Thomas Caketon for the death of John Leger, killed at Herkestede on Monday after the Nativity of St. Mary in the nineteenth year.

Jan. 10. Westminster.

Pardon, at the supputation of Hugh de la Souche, to Thomas atte Wode, parker of Sir (domini) Hugh la Souche at Revere, indicted for killing William Gyllle of the parish of Tolwynge in the king's highway at Fellette in that parish on Saturday after the feast of the Invention of the Cross in the eighteenth year, and also indicted for killing the said William alias William Jille on Saturday after Trinity in that year—for the aforesaid felonies.

Presentation of John de Clifton, chaplain, to the chantry founded at the altar of St. John the Baptist in the cathedral church of Rochester for the soul of John de Shepeye, late bishop of Rochester.

1396.

June 29. Westminster.

Commission to John Herle, Thomas Peverell, John Moille, William Frye, John Warrewyk and the sheriff of Cornwall to enquire of waste, estrepements, &c. in the alien priory of Tywardrath, in the king's hand on account of the war with France.

MEMBRANE 84d.

June 27. Westminster.

Association of Henry Brom with John Hille and John Woderove in the commission to them to take assizes, juries and certificates in the counties of Oxford, Berks, Gloucester, Hereford, Salop, Stafford and Worcester.

MEMBRANE 82d.

Commission to William Manchestre and Thomas Sumnour, on information that divers goods and merchandise are exported from Gloucester and the parts adjacent over the Severn and divers goods similarly imported into England without paying custom, subsidy or other dues—to search all ships and boats on that water whether going abroad or coming from abroad, and compel merchants and mariners to find security that they will not export or import merchandise without paying custom, &c. under pain of forfeiting the same.

MEMBRANE 81d.

By bill of treasurer.
