1398

Feb. 23. Westminster. Commission to Gerard Salvayne, knight, William Fulthorpe, knight, Robert Tirwhit, Thomas Stanley of York, William Wandesford of Meltynby, John Middelton of York and John Toppeclyf of York to enquire and certify what lands or tenements belonging to the hospital of St. Nicholas, York, in the king's patronage, have been alienated, or rents and services due to the hospital concealed, by whom and how long and touching all the circumstances.

Feb. 10. Commission to Robert Manvesyn, Nicholas Bradshawe and Robert Burgyloun to enquire and certify touching the felling and removal of trees and branches of trees in the king's hay of Teddeslee in the forest of Cannok, co. Stafford, and divers trespasses of vert and venison there.

Feb. 4. Shrewsbury. Commission to John de Croft of Dalton, Richard de Kirkeby, Roger Brokhols, Henry Falbergh and Edmund Skilicorn, to enquire and certify touching the withdrawal, removal, concealment and withholding of divers lands and tenements, rents and services and other profits belonging to the king in the counties of Lancaster, York and Westmorland by many men of those counties.

Feb. 4. Shrewsbury. Commission to Edmund de la Pole, knight, Eudo la Zouche, clerk, John Rome, clerk, John Pechel, clerk, Ralph Bateman and Thomas Morice to enquire by jury of the county of Cambridge what persons by reason of their tenure or otherwise are bound to repair the great bridge of Cambridge and what persons have received and kept sums paid by passengers for its repair, and who have removed and retain several of its stones, compel restitution of both and the immediate repair of the bridge by those liable therefor.

MEMBRANE 7d.
